15<sup>th</sup> March 2020

Dear Parents/Carers,

I have taken the decision to postpone the parents' evenings due to take place on Monday 16<sup>th</sup> March and Tuesday 17<sup>th</sup> March. I understand that there are no confirmed cases of coronavirus in this area; this is purely a precautionary measure that the school is taking to limit any potential spread. Parents' evenings will be rearranged for later in the summer term.

Should you have any concerns you wish to discuss with your child's teacher, I ask that you make contact with that teacher on the telephone. Again, this is to reduce the potential for the virus to spread amongst staff and pupils.

I ask that any enquiries be made via phone where possible and that adults dropping off and collecting children do not enter the school building. We will also be limiting the number of visitors to the school.

As per guidance, any child who presents with symptoms should not come to school. We ask that any adults that have symptoms do not come on to school grounds.

The local authority and Welsh Government are updating schools regularly on the latest situation. Advice is also available from the following website: <https://gov.wales/coronavirus-covid-19-educational-settings-guidance>.

We will update you regarding other upcoming school events as soon as possible.

Thank you for your understanding.

Yours sincerely,

A.R Faulkner
