Dear Parent/Carer

I hope that everyone is coping as well as they can in these challenging times. I am contacting the parents of the children from whom we have had no/limited communication with since March 20<sup>th</sup>.

Welsh Government and Powys County Council have told all schools that they must keep in contact with families during the closure of schools in Wales. This may be by email, phone or through the distance learning being provided on Hwb and MS Teams. The primary focus is to support wellbeing but is it also an opportunity to see how the home learning is going.

**I am asking that children access the distance learning being provided by the school.** If this is not possible, please email [teachers@presteigne.powys.sch.uk](mailto:teachers@presteigne.powys.sch.uk) just to let us know how you are getting on.

The LA is asking for the details of any families that have made no contact with schools or where no home learning is going on, to be passed to the Education Welfare Officers. I would very much like to avoid this.

Please make contact via email or ask your child to engage in the distance learning by tomorrow, Friday 1<sup>st</sup> May.

Many thanks.

A. R . Faulkner
