Assistant Headteachers / Penaethiaid Cynorthwyol: S. Cook and H. Palmer

13th May 2020

I hope everyone is keeping well. Thank you for supporting your child with their home learning. The school does not wish to put any family under pressure with regard to this- we ask that children work at a pace that suits them and that they complete what they can, when they can. We totally understand the daily challenges families are facing such as the home schooling of more than one child whilst trying to work from home. We do not want home learning to add to these challenges in any way!!!!

All of the teachers want to say a huge thank you to the children who are sending in their lovely work. A massive well done to all of the children. Thank you to the extremely positive email/Teams comments from parents and children. They are really appreciated.

Oaker Wood Residential Visit – Years 5 & 6

Under normal circumstances, we would have been going to Oaker Wood tomorrow. It is such a shame for the children (and staff who were going) that this has been cancelled but health and safety must come first.

Parents/carers will get a refund. This is something we will process when we return to school.

Admissions to Reception Class 2020

Please direct any parents of new children going into the reception class to our school website. A page has been set up – we will add more information as we get it.

Facebook: Keep an eye on the school's Facebook page. A variety of information is being posted.

Childcare hub : This continues to operate from the Primary School. Please remember, this is only available to vulnerable children and to the children of critical workers.

Re-opening of schools: We will keep you updated about this. At the moment, Welsh Government has made no decisions.

Please remember, we are here to support families as much as we can. Any queries, please email teachers@presteigne.powys.sch.uk. (please put name of member of staff in subject line). Thanks.
