### Re-opening of schools

Dear Parent/Carer,

You will probably be aware that the Education Minister has announced that schools will re-open in a reduced format from 29<sup>th</sup> June.

It was not anticipated by the profession that schools would reopen to all year groups and to a maximum of 1/3 of pupils. I am sure that you will have many questions, as will the children and school staff. Guidance will only be made available to schools during next week; we will have to wait for this before we can start planning for the re-opening.

At this moment, I have no more information other than what has been announced. Over the coming days and weeks, I will keep parents fully informed of any developments.

Thank you for your continued support. We will work together to ensure a safe return for the children and staff.

Yours sincerely,
