

Welcome back to the Autumn Term!

Our topic for this term is 'Magic and Myths'. The children are already enjoying learning through this topic and each class is taking a different path - with a key text at the heart of their learning.

The children have all been brilliant at adjusting to new routines in school and have taken everything in their stride! We are all really impressed with them. Da iawn pawb!

As we are settling back into the new 'normal' at school, here are a few reminders of routines for the term ahead.

Reading:

Books will be issued in line with new guidance – see additional letter – and should only be returned on a **Monday** or **Thursday**.

Spellings:

Children will be given spellings to learn weekly in school. There will be opportunities throughout the week for them to work on these and learn rules and patterns as appropriate. We will continue to work from the No Nonsense Spelling scheme and will be teaching the children strategies and techniques for learning from this. We will NOT be sending spelling homework at this point, but if children wish to practise at home, spellings will be available on J2Blast, using their HWB log in.

We are looking forward to a great Autumn Term!

The KS2 Team
