

Home Reading - Autumn Term 2020

Please note that we have made a few changes to how home reading books will be issued this term. These changes are in place to keep everyone safe in line with government guidance and to enable books to be quarantined for 72 hours once they are returned.

All children will bring new reading books home on a **Monday** and **Thursday** (Please note that the number of reading books your child receives may vary according to the level which they are on.) Books which your child has finished reading at home should then only be returned to school on a **Monday** and **Thursday** so that they can be placed in quarantine and new books issued.

We ask that your child's reading record is kept at home and not returned to school with their finished reading books. Please feel free to use this as your own record of what/how your child has read.

Your child will have additional reading books in school and will continue to read to an adult on a regular basis. We will continue to keep records of the books which your child has read both at home and in school, continuing to challenge and support them appropriately.
