

Dropping off and collecting children

Reminder:

We have a staggered start and end to the school day. This is to minimise the number of people on the school site at any one time. Many cars are queuing on Slough Road, especially at the end of the day, which is not necessary. This also means there are too many parents on site at the start of collection time.

Start of the day: Gates will open at 8.45. Children can go straight to class. Registers will close at 9.15, giving a greater window for parents to drop off children.

Where possible, drop off infant children between 8.45 and 9.00. and junior children between 9.00 and 9.15. If you have siblings in both the infants and juniors, aim for approximately 9.00.

End of day- gates will open at about 2.53. This enables parents to park up and start collecting children from 2.55. There is a 20 minute window in which you can collect your children and therefore queues are not necessary. Children should be collected by 3.15 at the latest.

Where possible, collect infant children between 2.55 and 3.05. and junior children between 3.05 and 3.15. If you have siblings in both the infants and juniors, aim for approximately 3.05.

Parents must follow social distancing rules at all times. Some parents are not. Only one parent should do the school run. Welsh Government strongly advises that face coverings should be worn.

So far, we have been successful in keeping covid transmission out of the school. We have to continue with our efforts to ensure all children, their families and staff can enjoy the Christmas break without having to self- isolate.

Your support with this is appreciated.
