## Newsletter November / December 2020

**Lost Property-** Each day jumpers, fleeces and coats are found, many without names. Please ensure all items of clothing are labelled.

**Medication:** No medication can be administered without a consent form being completed by a parent. These are available to download from the school website or from the school office.

**ParentPay**  
You can now order school uniform and book bags through ParentPay. Ordered items will be sent home with the children.

Children need warm jumpers and coats in school every day. We will try to get outside for some fresh air whatever the weather!

The staff and governors wish everyone a very Merry Christmas and a Happy New Year

### Thanks...

**-For following social distancing rules. We would ask that parents don't congregate as this can block the route for other people. Please wear face masks when dropping off and collecting children.**

**Poppy Appeal- we raised £213.**

**Children in Need- £183**

**Rhys and Cerys Morgan raised £803 for cardiac screening at their cake stall.**

**Diolch...**

**Earrings:** Please ensure that children only wear studs. Some earrings are too big and pose a health and safety risk. Thanks.

Please remember- you can chat to teachers at any time if you have any concerns. Just give the school a ring.

### Diary Dates

#### **December 2020**

Thursday 10<sup>th</sup>: Christmas Dinner

Friday 18<sup>th</sup>: End of Term

#### **January 2021**

Tuesday 5<sup>th</sup>: Children return to school

Although we have sadly had to cancel / postpone many events, the children have been doing some wonderful work in their class bubbles. The children really have been brilliant- the way they have settled back into school has been amazing. Have a read about some of the things we have been doing. →

### News from the classes:

In class **RM** the children have settled in well. We are learning to recognise and understand our emotions by talking about our feelings. We have been learning about the celebration of Diwali, making lamps, Rangoli patterns and re-telling the story of Rama and Sita.

**R/1C** have enjoyed a STEM project based around bubbles, which has linked really well with our current topic of 'Whizz, Pop, Bang!' Also Jigsaw Jack is now a firm favourite member of our class and he's already helped us in many ways.

**1/2C** have been learning all about the fascinating world of microbes. They used play dough to design their own microbes and researched microbe art on the iPads. Some future microbiologists in the class maybe.....?!

**3/4P** have enjoyed a rich task based around their class text 'The Boy Who Grew Dragons'. They have loved investigating 'Dragon poo' to find out what type of dragon it came from and drawing carefully detailed dragon's eyes.

**4/5SL** have really enjoyed their Harry Potter topic. They have made broomsticks, wands and dissected owl pellets as well as coding their own sorting hats and creating their own Hogwarts houses.'

**5/6J** - This term, through our topic 'Magic and Myths', we have enjoyed our story 'The Lion, the Witch and the Wardrobe and our Forest School sessions about the book. We love our Friday afternoon art sessions, inspired by Dragon Eyes and in science we've had fun making chemical reaction fireworks and fizzy pop investigations.
