

Check-in sessions

Safeguarding update (as promised)

If a learner is joining a video-conferencing call or live-streaming call from home or remotely they should:

- choose a neutral location that is appropriate and safe, e.g. a living room, a study or a kitchen
- encourage learners to work from a suitable communal home location where they feel comfortable, **preferably accompanied by their parent/carer**
- reduce the possibility of the lesson being interrupted by other household members or pets.

Two members of staff will be present in every check-in session– one will be observing for safeguarding purposes.
