

3-7 year olds are back at school. We must still limit the spread of the virus to help keep schools and childcare open. So remember:

- **Only share a lift to school if you have to**
- Wear a mask for school drop off and catch up over the phone not at the school gate
- **Always remember – hands, face, space**
- School bubbles are for school only
- **Keep your child at home if they are unwell – even if you don't think it's Coronavirus**
- There'll be time for birthday parties and sleepovers before long... but for now, thank you for everything you're doing to keep schools and childcare open.

Together we'll keep Wales safe
gov.wales/coronavirus

**Keep your child at home if they have symptoms.
Limit contacts outside school and childcare
to help keep them open.**

**Together we'll keep Wales safe
gov.wales/coronavirus**

**Wear a mask when dropping your child at school.
Limit contacts outside school and childcare
to help keep them open.**
