- <https://hwb.gov.wales/>

Language, Literacy & Communication

Listen to the story [The Colour Monster](#) read by Sherry <https://youtu.be/Ih0iu8Ou04Y>

Speech Bubbles - Choose an illustration from the book and think about what the character is saying. WALT - write in sentences and think about the characters feelings.

Adjectives Make a list of the words used by the author to describe each colour. E.g yellow - bright and light. Can you add your own adjectives to each colour too. WALT - think about adjectives / extend our vocabulary.

Poetry Create a feelings / colour poem

As red as a

I like

WALT - write in different formats.

Mathematical Development

WALT - talk about time in relation to days, months and seasons.

Spot the mistakes, Calendars (Year 1 and 2)
Look at a calendar for this year - find out information.

WALT - tell the time

- Make a clock.

WALT - tell the time using o'clock, half past, quarter past, minutes past and to.

SEE ACTIVITIES ON OUR FACEBOOK PAGE

Topic (Science & Technology, Humanities, Expressive Arts & Health and Wellbeing)

- Join the Green Team (see post on our Facebook Page.) WALT- look after our community.
- Exploring our feelings-fill each jar with things that make you happy, sad, angry etc
WALT - express our feelings and give reasons for them.
- Drawing faces. Use a mirror to see how your face changes when your feelings change. Can you draw your face showing different emotions ? You could use paint on HWB. WALT - make observations and describe how our emotions affect us.

REMEMBER ALL ACTIVITIES ARE ON OUR FACEBOOK PAGE
