Let's begin our topic for this term "I'm the King of the Castle "

WALT - think about what we already know about castles and what we would like to find out.

We would like you to create a Mind Map about castles.

What do you know about castles? What is a castle?

Have you ever been to a castle? Can you describe it?

What would you like to find out about castles?

How would you like to record your learning? (we will do our best with this one as we don't know yet how long it will be before we get back into school).

Write the title in the middle of your page and then write and draw around it with your ideas and questions. Take a photo and pop it on Facebook so we can all see everyone's ideas.
