

Happy New Year

Hope you all had a good Christmas and are ready to get back to learning.

This term our topic is "I'm the King of the Castle" as voted by the children at the end of the term.

We will be learning about the features of Castles, life in a Castle and the different types of Castles.

In Science we will be looking at Forces – a new topic that the children haven't touched upon before.

Our Language lessons will be based on the story of "Kassim and the Greedy Dragon" and we hope to continue with our phonic/reading lessons.

And of course, we hope to be drawing, designing and making our own Castles too.

This term we will be putting daily lessons on the website and on our Facebook page so the children know what they need to do each day.

Please take photos and put them on the Facebook page or you can email them to us as it is lovely to see what the children have achieved.

So here we go.....

If you have any problems or questions please send an email or you can send a message through Facebook.
