

Thursday 7th January 2021 - Year 2/3

Language and Literacy Activity

We would like to know what you have been up to over Christmas. So, we are going to create recount map (like the story maps that we have created in school). We are then going to use this map to help us to write a recount.

WALT - Create a recount map

On your map you will need....

- A title
- An introduction
- The time connectives - First, next, then and finally
- Drawings and words to show what you have been doing in the right order.

I have drawn my own plan as an example to help you which has been put on our Facebook page.

Remember to draw and write about what you did and post a picture so that we can all see what you have been up to.

You could also have a go at using your map to help you to retell your news out loud.

Friday 8th January 2021 - Year 2/3

Language and Literacy Activity

WALT - write a recount using our plan.

Now we would like you to use your plan to help you to write a recount.

Think of the sentence you want to write, say it out loud. Think about how you can make it a better sentence by maybe adding an adjective or a more exciting noun.

Remember to include....

- A title.
- An introduction
- Use the time connective words in the write order.
- Capital letters at the beginning of a sentence and full stops too.

I have written an example for you and have put it on the Facebook page.

Remember it is an example. Yours may not be as long just do your best.

You can type your recount on HWB or write it out.

Remember to post your recount on our page and share it with your friends.
