

At Ysgol Maes y Coed we believe that our pupils will achieve more when the school, parents and all other professionals work together to meet our pupil's needs.

Parents can help more effectively when they know what the school is trying to achieve.

Our home school agreement is consistent with the policies of the Governing Body, and we are confident that working together will enable our pupils to achieve.

We are mindful of the UN convention on the Rights of the Child and aim to meet all requirements.
