Additional responses included requests for detail on the following:

- Well being
- Fitting in to school
- Supporting children's learning at home
- Outdoor experiences
- Music and the Arts
- Welsh

We will consider how to best accommodate these into a programme of workshops over the coming year.

In response to a few queries, Welsh is taught across all year groups in the form of short bursts of speaking and listening that we call Slott Ddrilio as well as through weekly longer lessons involving reading and writing appropriate to their age. We also report on Welsh Attainment as part of our annual reports and to give an overall Welsh Level at end of KS2.

The remit of this questionnaire was to establish greater home school links rather than provide detail on individual children's progress, which is better achieved through Class Dojo and discussions at Parents Meetings. The next ones are scheduled in March.

Thanks again,  
Mr Davies
