

For the remainder of the Autumn Term we will be covering the following Whole school projects:

Anti-bullying week, Expressive Arts.

As a Lower Foundation Phase, we will be continuing to cover the topic of 'Nursery Rhymes'.

How can I help my child at home?

Practising Nursery Rhymes and singing together at home is beneficial to support early Literacy skills.

Encouraging your child to draw, write, count, share books, notice words, letters and numbers around them as well as playing and talking is hugely beneficial. 😊

Reading

Please can Reception reading books be returned on Mondays in order to follow quarantine guidelines. Pupils are involved in a range of other reading activities in class but it is important that pupils can practice at home. We encourage that all pupils enjoy reading and listening to stories at home.

Outdoor Learning

All children access outdoor learning daily - no special kit is required, please send your child in suitable clothing for the weather (waterproof coat, sturdy shoes).

Assembly Themes

Include: Anti-bullying. Places of worship. Remembrance. Forgiveness. Christmas.

Rights of the Child

- October. Your right to a good standard of living. **Article 27.**
- November. Your right to be safe. **Article 19.**
- December. Your right to follow your own religion. **Article 14.**
