

Whole school theme: *Health and the world around us*

Ethical, informed citizens

Big ideas/questions:

- What are living things?
- What do plants need to grow?
- What do people need to grow?

How can I support your child at home?

- Read with your child regularly
- Practise phonics or spelling patterns
- Daily counting and remembering of maths facts e.g. time tables, counting in 2s, 5s, 10s, halving or doubling numbers etc.
- Continue to develop their digital competence skills

Other information:

- Please can Reception reading books be returned on a Monday to be sent back home on a Friday (in line with the quarantine policy).
- Pupils are involved in a range of other reading activities in class but it is important that pupils can practise with their reading book and word lists at home.
- We encourage that all pupils enjoy reading and listening to stories at home.
- Children are encouraged to bring in a water bottle so they can stay hydrated during the day.
- Children may bring fruit for snack time – please can fruit such as oranges be peeled and cut.

Other information:

- Outdoor Learning We make use of our outdoor learning area regularly throughout the week. Please ensure that clothing is appropriate for the weather – a waterproof coat, sturdy shoes, and hopefully soon, a sun hat and apply sun cream before school.

Rights of the term:

- Article 13: Right to find out things and share
- Article 6: The right to life and to be healthy
- Article 31: Right to relax and play

Healthy, confident individuals
