

## Pupil Development Grant Statement. 2020-2021

The Pupil Development Grant (PDG) is allocated to school with pupils who come from low income families and are entitled to Free School Meals (eFSM). All schools are expected to use this funding to use and develop sustainable strategies that will help learners eligible for free school meals to reach their full potential.

At Ysgol Casblaidd school we:

- identify the group of pupils and target their needs.
- plan education and emotional and wellbeing interventions which make the most effective use of resources.
- monitor and evaluate the impact of the intervention and the resources.

At Ysgol Casblaidd we have a plan in place to promote progress and remove barriers to learning for eFSM.

Intervention and support include Literacy & Numeracy programmes. Emotional health and wellbeing is of paramount importance.
