**Spring term 2021**

Hi everyone,

We are so pleased that we've been able to welcome the children back to school. We missed them so much and chatting with the children over the past two weeks, it is obvious that they missed being in school too.

The past two weeks we've used the time to gently settle the children back into routines and reintroduce them to school life.

From Monday 8<sup>th</sup> March we will begin to reintroduce our reading and homework routines;

Reception - From Wednesday 10<sup>th</sup> March we will send out reading books/folders, these will be returned on Monday 15<sup>th</sup>. I will include a note with their reading folders to help re-establish routines.

Homework Nursery and Reception - on Monday 15<sup>th</sup> March I will upload a video into shared files on HWB outlining their homework task for the week. Videos and photos can then be shared in HWB files.

Please ask me for any assistance you may need with this.

Nursery and Reception Story books - On a Monday the children will choose a story book which can be enjoyed at home through the week. Please return these on Friday (We have several sets of books which will be rotated and quarantined to ensure safe/clean use of shared resources).

Nursery and Reception - News Time. We love sharing news in both Nursery and Reception and the children especially love it when I share their photos in their HWB files with each other in class. Please share any news or activities that you have done at home with us via HWB. We love printing out their photos and sharing it on our News Board.

For the rest of the term our topic in Nursery and Reception will be - Are Eggs Alive? A lovely topic finding out which animals hatch from eggs and a chance to observe the changes at Spring time.

Please, as always let me know if we can help with anything.

Take care

Mrs Goss and The Early Years Staff
