Coronavirus Update Nursery and Reception

Bore da pawb,

By now you have received and read our whole school newsletter. Sadly at this moment we are unable to begin to reintegrate nursery and reception aged pupils back to school. As a school we are following both local and national guidance on designing our 'new normal'. The staff and Governing Body are disappointed that we cannot offer your child the opportunity to pop into school for a 'check in and catch up' before the summer holidays, although, we are looking at other creative ways in keeping in touch. Watch this space. Moving on we hope to have the staff capacity, rooms available and the direction from local and national government to broaden the number of pupils that pop in for a check in and catch up from September and the remainder of the Autumn term.

I will formally communicate all information using our usual communication channels when other details have been agreed. Please remember that education in Wales is governed by our Welsh Parliament previously known as the Welsh Assembly and not Westminster in London.

Hope to see you all soon.

#keepsafe.

Yours,

OG Hyett
