

Can you make a rocket to send a man to the moon?

What were the materials like that came from the UFO crash?

Space

Year Two Autumn Topic

I love space stories, let's write one.

We would like to help send the alien back to his planet, can we write a letter to Professor Pong asking him to return the alien to us?

Crash! What's that in the playground? Let's go outside and take a look. Stand back everyone - It looks like a UFO has crash-landed.

Can you help to write a newspaper report about the UFO crash?

Find out who might have landed by exploring the craft and investigating scattered scientific specimens.

Would you like to be an astronaut? You'll need a pretty sturdy spacecraft if you do. Start off small by making an air-propelled rocket.....WHOOSH How far can you make it travel?

How does the alien Beegu feel about begin on earth?

What planets do you know?

Find out the names of the planets. There's Mercury, Neptune and Mars and.....do you know any others? I've forgotten the rest.

When did people first go up into space?

Then, an alien is found Can you help him get home? It's got the experts in a right kerfuffle. Professor Pong doesn't know what to do!

Are you ready year 2? Hold tight..... 5-4-3-2-1..... Lift off!

We want to go to the moon, can you create a space buggy so we can explore the area?

Tell me about your favourite planet.

We want to sell your buggy to NASA. Can you create an advert for it?

How far can your rocket travel?
