

Where in the world *would be your favourite place*? What would you enjoy seeing and doing?

Different music - different fan groups. Can you identify fan groups, do you belong to one? Share your music and decide!

Can you create a new identity from all the positive aspects of the class' personalities?

## ID - Year Five/ Six Autumn Topic.

What does your style say about you?  
Can you design a t-shirt that makes a statement about you?

Who do you think you are? Are you an extrovert or an introvert, a singleton, a twin or even a triplet?

Let's discover what makes you...you!

From your fingerprints and footprints, genes and DNA, everything is unique about you. So why do you look like Mum or Dad... or even Auntie Rose?

Explore the world of human identity and how our unique features can be used to tell us apart from each other or help solve a crime!

Write reports, adverts and narratives all on the theme of identity and express your opinions, views and beliefs. Do you like the same thing as others, or are your tastes uniquely yours?

Then it is time for some detective work! In the case of the stolen handbag, use your knowledge and skills to solve the crime and identify the culprit.

And remember to love being you...Why?

Because there's only one of you: you're one of a kind!

What would happen one morning if you woke up and found you were someone else?

Are you similar in looks to a relative?

Do the tallest people jump the furthest? Are the sprinters good at distance running?

What does taste mean? what do people mean when they say somebody has good or bad taste?

Nurture or nature - how much of our personality is influenced by genes or our upbringing and environment?

Does the Vitruvian man by Leonardo da Vinci show the perfect human proportions?

Can you write a tribute to a class mate , a charity founder, a hero? What facts and opinions would you

Identity cards and micro chipping - good or bad ideas?
