Dropping children off

Can we please ask that if you are dropping your child off in the mornings, you either come into school and go around the car park and drop off within school grounds, or else go past the school entrance and drop off on the garage side. We are have concerns that someone is indicating to come into school and then stopping on the zig zag lines to drop their child off. Obviously other drivers don't expect the car to then stop and this is giving rise to a potentially nasty rear-end accident.

RAGS to RICHES

We have had a smaller than usual collection this year but have still raised £64.55. Our next collection is on the 9th July, so start keeping any donations for then.
