

April 2016

Dear Student/Parent/Carer,

Over a number of years, the Gowerton School Ski Club has organised ski courses to Sankt Johann/Alpendorf in Salzburg, Austria. We now need to assess numbers of pupils who may be interested in a **2017** course.

The dates will be **Friday 7<sup>th</sup> – 15<sup>th</sup> April 2017** (1<sup>st</sup> week of the Easter Holiday). The total cost is approx. **£835**. This includes return travel to the (compulsory) preliminary training course at Pembrey (two separate full day sessions); all travel to and from the resort and throughout the week; lift pass for 6 days; ski, helmet and boot hire; ski school for 5 hours per day each day (4 hours skiing); bed, breakfast and evening meal; ski group photo and certificate, as well as evening activities.

To ensure your place, you need to return the slip provided and make a deposit of **£200**. This is **non-refundable** as it constitutes the non-refundable deposit that we must make to the travel company. This must be done by May 27th to enable us to secure our booking for the forthcoming season and for you to be sure of your place on the course. If you foresee any difficulties with this payment, please contact us to discuss an alternative arrangement.

Please hand any reply slips and payments in to Mrs Yvonne O'Sullivan in reception (in the mornings before form period if possible). Please make cheques payable to 'Gowerton School'.

Following the deposit, payments will then be made until the total is reached in February 2017. Full payment may also be made at any time before the February deadline.

An information evening will be held in January, but if you have any pressing queries, please do not hesitate to contact either Mrs Mannion, Ms Lawlor, Mr D Morgan or Mrs Yvonne O'Sullivan. Photos from the Easter 2016 ski course can be seen on the Gowerton School website gallery.

Yours sincerely,  
The Ski Team
