MAY 2021

FROM THE HEADTEACHER'S DESK

It's been another busy month for the whole school community. Pupils in Years 10-13 have been working hard completing their assessments as they cannot have formal exams this year. It has been wonderful this month to see the return of extra curricular activities. Pupils have enjoyed returning to some type of normality.

EXTRA-CURRICULAR ACTIVITIES

The return of extra curricular sporting activities has been welcomed by pupils. Each evening a Year group has the choice of cricket, hockey, rugby, football. We hope the weather will improve soon to start some athletics. Year 9 were enjoying indoor cricket in their after school sessions

YEAR 7 SEPTEMBER 2021

For September 2021, Gowerton School was given an admission number of 211 for Year 7 applicants.

In total, the number of applications received has reached an amazing 294!

Gowerton was one of only two schools across Swansea to allocate **all 211 year 7 places**.

We look forward to welcoming the new year group up for transition events over the upcoming weeks.

GOWERTONIAN RUGBY SUCCESS

Congratulations to two of our ex-pupils, Dan Biggar and Liam Williams, for being chosen for the Lions. We are so proud of their outstanding achievement. The year 9 rugby team were given the opportunity to watch the announcement live with Mr Mason.

Tyler was particularly pleased when his Uncle Liam was chosen.

TRASH ALLIGATORS

You may remember some years ago a group of pupils set up 'The Trash Alligators'. It was a small group of pupils that volunteered their time ever lunch hour to litter pick around school and the village, accompanied by staff. The group of pupils have received recognition for founding this group in the recent awards celebration.

As the pupils are from different year groups we could not include them in the same photo. Pictured are the year 10 pupils, Arthur-John, Tyler, Cammie and Tia. Hannah, Archie and Phillip were unable to be in the photo but were presented with their awards during the lunchtime too. We thank them for their idea and they look forward to the near future when we can return to continuing this community work.
