

Hello everybody! I hope you are all well and keeping safe at home.

I hope you have all been keeping yourself busy with lots of fun activities, whilst enjoying the sunshine outdoors.

I am being busy this week with lots of Easter crafts in preparation for the Easter Bunny!

I wonder if you can help me with some tasks!

- Can you create your own Easter egg hunt?
 - Ask your grown up to help you with writing numbers on your eggs. Then you could put them in order from smallest to largest and vice versa once you have found them.
 - You could ask your grownup to help you put the alphabet on your eggs and put those in order too?

- Can you make a bunny hat? You could practice singing your Jolly Phonic songs whilst wearing it and send us videos on twitter!

- Can you design your own Easter egg? This is Miss Gaze's! → I love using bright colours. Can you spot the shapes in my Easter egg? Can you say the colours in Welsh? How creative can you be?

- Can you bake some Easter treats and send us some photos of you busy baking? Don't forget to look out for our letter sounds in the ingredients!!

It would be lovely to see what you have been up to at home so share with us your news / activities / enjoyment on our twitter page - @BlaengwrachPri1

I hope you all have a wonderful Easter, despite the circumstances.

Take care and I really hope to see you all soon!

Miss Gaze
