

Dear Parent/ Carer/ Pupils,

As this is the third week of school closures, I wanted to write to you to keep in touch and let you know how proud we are of everything you are doing.

Everyone is finding this lockdown very challenging; the darker nights and the cold weather has had an impact on the time we are able to get outdoors and try and relax as families, so it's so important now more than ever we keep in touch and offer whatever support we can.

A huge well done to you all for the wonderful work and activities you have been sharing with the class teachers. Class Dojo and Hwb have been a fantastic way to stay in touch and to share the learning on a daily basis. In amongst all of the other demands you have as parents we know that supporting the children at home with their learning is really challenging and it's important to remember that home isn't school. The home learning list that is sent out each Monday includes a variety of English, maths and topic work that would have been taught each week this term. We don't expect you to do everything, so please don't put pressure on yourselves if you have very busy days and you can't get through the work. It's much better to set small targets each day and if you can achieve any more that's a bonus.

Although school is closed for the majority of pupils, we are still here for you and if there is anything we can help you with, even if it's a chat on the phone, please get in touch.

Stay safe everyone- you are all doing an amazing job and we look forward to being back together very soon.

Kind regards,

Mrs Sharp
