Dear parent/guardian,

During your child's first year at school, he/she will normally be seen by a member of the audiology service to carry out a hearing test. This is part of the School Entry Review.

Due to the pandemic, the hearing screening programme has been disrupted. If your child has not yet had their school hearing screen you will be contacted further about this in the future.

If you have any concerns about your child's hearing, please contact your GP.

Yours sincerely

## **Hearing Screening Service**
