

Superhero Character Description **KABOOM** ★★

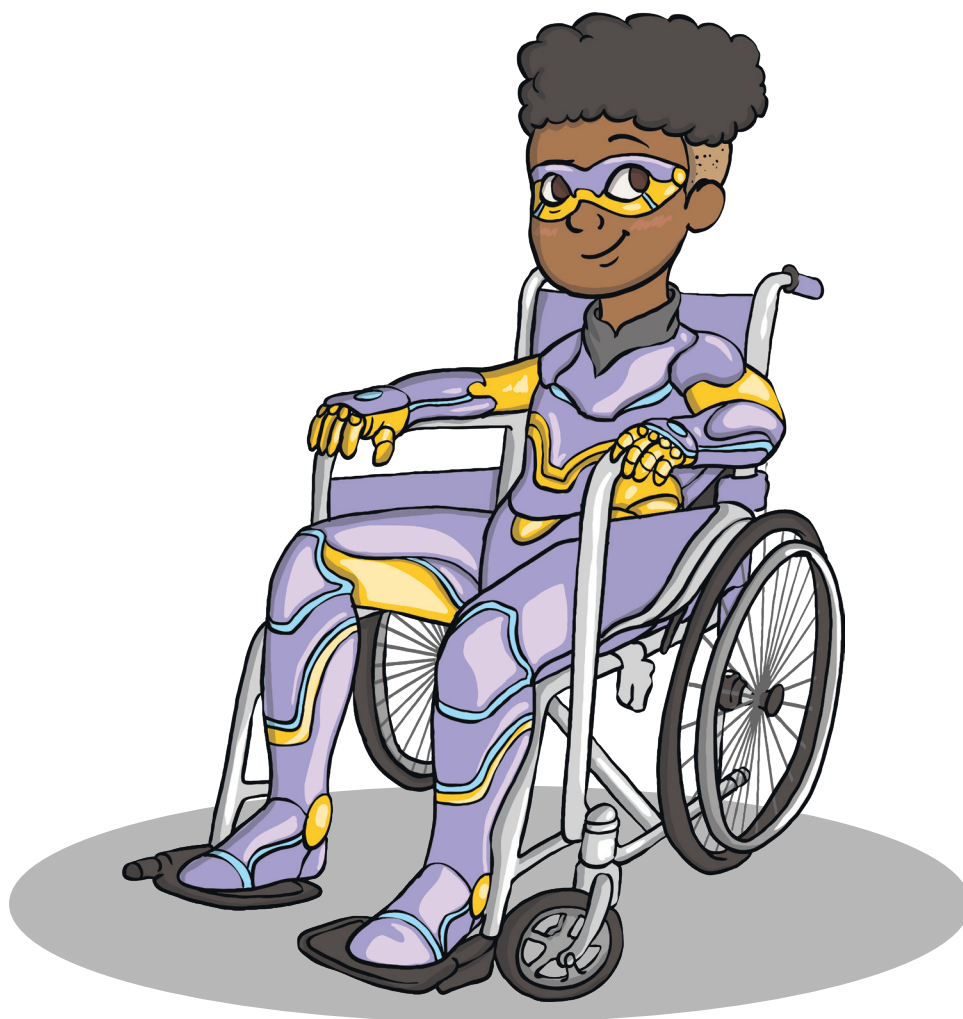

Superheroes come in all shapes and sizes. The powers they can have are almost limitless and the things they do can be fantastical.

Use these templates design your very own superhero characters.

Questions to think about:

- What will their costume look like?
- What are their superpowers?
- How does the character act?

When you have designed your character, can you create a story for them to be in?
