Pupils Personal Property

Can you please ensure that pupils names are clearly marked on all items that they bring into school.

Dear Parents/Guardians,

As we approach half-term, I would like to take this opportunity to thank you for your continued support in your child's education. Nursery pupils and Year 7 have settled well which is encouraging to see. It has been a very busy and productive half-term with lots of activities going on throughout the school. As always, you can follow these through a number of channels such as the school website, Twitter and Facebook accounts. I would also encourage you to use the Show My Homework app which provides an excellent link between school, pupils and parents/guardians.

I have included some useful dates for your diaries as next half-term promises to be just as busy as this one has been! Year 11 have some key examinations and I wish them luck as they prepare to sit these in November.

From a personal perspective, I would like to thank all members of the school community who have supported me in my first half-term as Headteacher. It is much appreciated.

Diolch

Mr Rees

Year 11 Examinations

Pupils taught Mathematics by Mrs Chandler, Mrs Glassey and Mr May will be sitting their GCSE Mathematics Unit 1 exam on November 11th and Unit 2 on November 13th. Also, pupils taught by Mr Lewis and Mr Davies will be sitting their GCSE Numeracy Unit 1 exam on November 5th and Unit 2 on November 7th

The following Year 11 Single Applied Science classes (11AS6 and 11BS2) will be completing their coursework during the first week back after half term.

Techno Camps will be working with Year 11 GCSE Computer Science pupils on December 4th and 5th.

Year 11 Mock Examinations will take place between December 5th and 19th.

Please ensure full attendance on all above the above sessions. All information relating to examinations, both internal and external, can be found in the Pupil section on the school website. Pupil section on the school website.
