### Safety Reminder

Can you please ensure that your child/children do not wear any necklaces or earrings, other than stud earrings, to school. They are also allowed to wear watches. However, some pupils are wearing 'Fitbit' style watches. These are often very expensive items. We need to let you know that we cannot be responsible for these devices in school should they get lost or broken.

### Christmas Jumper Day

We are pleased to say we have sent a cheque to 'Save the Children' for £147.25. This was raised on the last day of term by everyone wearing Christmas jumpers.

### New Nursery Pupils

We would like to thank all new nursery parents for welcoming our nursery staff into your homes, so they could meet your son/daughter who will be joining us on Monday 13th January. We look forward to the children starting school and being part of our Milford Haven Community Primary School family.

### Harvest Food

We have received a lovely letter from the Salvation Army thanking us for the food we provided from our Harvest table at the Meads Site. They made up 122 food parcels which were given out to 66 local families at Christmas. Thank you to all our parents for your valuable contributions.

### Car Parking in the Sports Centre

Please could we ask parents to keep their children close to them when walking through the sports centre car park to your car. There was a very near miss this week when a child was running from their parent and a car was reversing. There is no footpath and it is a very busy place at the start and end of the school day.
